## OVERVIEW

Planning for college doesn't have to be overwhelming. Use this checklist to stay on track through junior year. Each action item brings your family closer to a well-prepared, stress-free college application journey.

## JUNIOR YEAR (11TH GRADE)

Junior year is all about continuing to build a strong academic and extracurricular portfolio while beginning the college search. This is the year to focus on grades, test preparation, and early research so that senior year feels more manageable.

### September – December

- ☐ Review academic performance and confirm course selection with counselor
- ☐ Begin SAT/ACT preparation (practice tests, study schedule)
- ☐ Deepen extracurricular involvement and pursue leadership roles
- ☐ Start building an activities résumé to track honors, jobs, and service

### January – May

- ☐ Take the SAT or ACT for the first time
- ☐ Begin visiting nearby campuses
- ☐ Explore majors and potential career interests
- ☐ Create a preliminary list of reach, match, and safety schools
- ☐ Identify teachers or mentors who can write strong recommendations and request this prior to the end of the school year (before everyone starts asking them!)

### June – August

- ☐ Refine your college list with family input
- ☐ Brainstorm essay topics and draft early ideas
- ☐ Continue campus visits and attend information sessions
- ☐ Research scholarships and financial aid opportunities
